RGPV/GE- Club/2019

Date: April 2019

To

The Director /Principal
All affiliated Institutions, MP
All Officials/Member’s of RGPV’s GE Club

Subject:- Formation of Energy clubs

Energy conservation is undertaken for a variety of reasons which includes utility cost containment and reduction of the carbon footprint. Incumbent upon all of us is the preservation of resources to perpetuate a quality life style. A holistic approach to conservation is articulated in this plan which outlines action items for an energy conservation program.

M.P.Urja Vikas Nigam and RGPV, Bhopal jointly initiated the formation of Green Energy Club in the Technical Institutions in the state of MP under the umbrella of “RGPV’s-GE club” at University level. This Energy Club is a central platform for effective movement towards energy conservation/ management, climate change, global warming etc. This should be a hub for thought-leadership and relationship building with the community in the field of energy & environment. Activities of this club are mediums to educate, enhance and engage the energy & environment brigade in spreading the message of Energy & Environment Conservation.

Energy Club has launched, with a motive to engage students for increasing awareness and taking their first steps in Energy Conservation. The program however, was never meant to stay in this narrow space, but to widen the horizon and enable a student to take necessary steps in his/her individual capacity to be better and responsible citizens of the world. Through this Green Energy Club, we initiate sensitizing public about resource scarcity, and effects of CO₂ emissions.

As per the applications received from the different institutions the first list of the formation of Institution Level **RGPV’s Green Energy Clubs** is placed at Table A below.

Your active cooperation as well as participation is requested to facilitate the creation of this green movement towards sustainable development.

Green Nation Clean Nation

UNIVERSITY/STATE LEVEL

“RGPV”s-GE CLUB”

- **Patron-** Prof Sunil Kumar, Hon'ble Vice Chancellor, RGPV
- **Convener-** Prof Mukesh Pandey, School of Energy & Environment,
- **Coordinator -** Dr Pankaj Jain , School of Energy & Environment,
- **Core Group-** ...1. Prof S.S Kushwah, Registrar, RGPV
2 Prof S C Choube, UIT, RGPV
3 Prof. Rakesh Singhai, Dy. Registrar, RGPV
4. Prof R. S. Rajput, UIT, RGPV
5. Prof Aseem Tiwari, UIT, RGPV
6. Prof Vinay Thaper, UIT, RGPV

Co-Convener: Dr Shashi Ranjan Akela, PRO- RGPV
: Dr Savita Vyas, School of Energy & Environment
Co-Coordinator Mr Anurag Gour, School of Energy & Environment
Student Coordinator Mr Pankaj Kumar Singh & Mr. Saurabh Patle, SoEEM, RGPV

Organizer-School of Energy & Environment, UTD-RGPV, Bhopal
