<b>S. No</b>	<b>Department</b>	<b>Course Title</b>	<b>Course Schedule</b>	<b>Who Can Participate (Faculty of )</b>
1	Mechanical	Heat Transfer Engineering	2nd-6th February 2015	Mechanical Discipline
2	Mathematics Department	Mathematical Modelling and Its Applications in Science & Engineering	2nd-6th February 2015	
3	Mechanical	Engineering Graphics	24th-28th February 2015	Mechanical Discipline
4	Electrical	Computer Applications to Power Systems	24th-28th February 2015	Electrical Discipline
5	Computer Science & Engineering Department	Recent Trends in Computer Networking & Distributed Systems	24th-28th February 2015	CSE Disciplines
6	Information Technology	Programming Language & Operating System	9th-13th March 2015	IT , CSE Disciplines
7	Computer Science & Engineering Department	Artificial Intelligence & Soft Computing Techniques	16th-20th March 2015	IT , CSE Disciplines
8	Mechanical	IC Engines	16th-20th March 2015	Mechanical Discipline
9	Orientation Program	Teaching Methodology	18th-20th March 2015	All Discipline
10	Electrical	Power Electronics Devices & Circuits	21st-25th April 2015	Electrical Discipline
11	Civil Engineering	Innovative Construction Material & Techniques	21-25 April 2015	Civil Engineering
12	Civil Engineering	Modern Practices in water supply & Sanitation	21-25 May 2015	Civil Engineering
13	Electronics & Communication	Simulation & Modelling	21-25 May 2015	Electronics Discipline
14	Information Technology	Data Structure and Algorithm	26th-30th May 2015	IT , CSE Disciplines
