BIOCONCURRENCE- 2020

Global Meet

Date : 23rd -24th August, 2020

Venue : Digital Mode on Google Meet

ABOUT RGPV

The Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal has been established by the Government of Madhya Pradesh vide act no. 13 of 1998 of the Legislative Assembly. Over a sprawling Campus of about 247 acres, the Rajiv Gandhi Proudyogiki Vishwavidyalaya is marching towards development into a center of excellence in the arena of Technical Education, Research and Innovations. Under its umbrella there are 05 UTD's, 200 affiliated Engineering Colleges, 98 Pharmacy Colleges, 95 MCA Colleges and 04 Architecture Colleges imparting Graduate level instructions running around 17 under graduate level courses, 85 Polytechnic institutions offering diploma courses in emerging and conventional disciplines.

ABOUT SCHOOL OF BIOTECHNOLOGY

The School of Biotechnology established in 2003, is running under the umbrella of Rajiv Gandhi Proudyogiki Vishwavidyalaya, Bhopal as an autonomous institute with an objective to fulfill the need of excellent research and teaching methodologies in the State of Madhya Pradesh. The School maintains a close liaison with various academic & non academic Institutions, industry and research laboratories to impart training and practical exposure to the students, so that they are thoroughly nurtured to keep abreast of latest technology and comprehensively groomed as professionals.

PROGRAM OVERVIEW

The Bioconcurrence is aimed at Biotechnology, Medical, Pharma and Basic Life Science students, Faculty and Industrialists who come together for two days of intensive networking to discover new opportunities and promising partnerships. We bring together the workshop for startup and Genetic Counseling and Gene Testing that will benefit the researchers and society.

PROGRAM OBJECTIVES

Bioconcurrence aims to bring together the Professors, Researchers, Scientists, Business Giants, and Technocrats to provide a National forum for the dissemination of original research results, new ideas, and practical development and to discover advances in the field of Biotechnology, management, and education in relation to Biotechnology as well as a breadth of other topics. This Biotech meeting creates a platform for Policy-makers, Scientists, representatives and decision makers in Biotechnology to present their latest Biotech research and learn about all the important developments in Biotechnology research.

WHO CAN PARTICIPATE?

Academicians, Researchers, Scientists, Business Giants, Students and Technocrats
