Sub: Energy Conservation -Best Practices Competitions on the occasion of World Energy Conservation Day 2019 celebration for the Affiliated Institutions and their Students.

As the World Energy Conservation Day is celebrated on 14th December globally to highlight the importance of energy consumption and its use in our day-to-day life, its scarcity and its impact on sustainability of global eco systems.

We are celebrating this Day on 17th December 2019.

On the occasion of celebration of this World Energy Conservation Day Green Energy Club of RGPV in association with BEE-GOI, MPUVN-Govt. of MP has taken over the responsibility of sensitizing the students and institutions for the awareness in the field of Energy Conservation.

The Institutions are requested to submit about best green practices adopted by them in the field of Energy Conservation in their campus. Institutions are required to furnish relevant information in enclosed format (Annexure-A). Recognition of the best Institution in this field shall be awarded by on the day of the program on 17th December, 2019 at RGPV.

Green Energy Club of RGPV undertakes the Energy Conservation Awareness Campaign by organizing Poster Painting competition for the students.

Student Poster Painting Competition is being organized at two levels, viz. at institution level and University level. Institutes are required to organize a Poster Painting making Competition at their Institute on the following topics. The students can select any one of the following topics for the Poster Painting Competition:
