(2021-2022) Year

Company Profile:

KodNest is a product based software company in the ED-TECH space offering various solutions to people it is an ISO 29990:2010 and ISO 9001:2015 certified company for its quality in informal education & recognized by Govt of India. KodNest Technologies is a premier skilldevelopment company with its corporate office in Bangalore offering an entire range of services involved in the training, development and employment. KodNest is India's leading career accelerator for job seekers and IT professionals with its training platform. We pioneer the initiative of filling the gap between the IT companies and Academic by training students with top trending technologies in the IT Industry. We are now a growing organization with over 2,00,000+ users on our platform. We take pride in ourselves in providing a first of its kind and unique Program only by KodNest, in India by setting up a program for **Innovation & Excellence (I&E)** for your University by taking all the final year students and providing them **free training on Technical, Aptitude & Soft Skills** and also ensure to provide them placement drives if the student has a 90% attendance and 80% test scores in the complete 45 days training program consistently. Our client base is steadily growing with over 200+ as of now, more so is our commitment to remain the regional leaders in the fields of Training and Employment.

KODNEST- THE DREAM FACTORY:

KodNest under its project 2021 "The Dream Factory" is going to train, nourish and groom RGPV Students in skills such as Technical + Aptitude + Programming + Personality Development with Resume building for absolutely free 2 hours per day Online Self pace for 45 days is the training roadmap.

ACADEMIC ELIGIBILITY CRITERIA:

- Training for all branches (2021 – 2022 batch)
- Placement for only 2021 batch (only circuit branches)
- Graduation – B.E / B.Tech / M.E / M.Tech / MCA / BCA
- Stream- Any stream {Except Civil, Aeronautical & Chemical Engineering}

BENEFITS:

The big takeaway here is that the students who attend all the 45 days training sessions and maintain an attendance of 90% and test scores of 80% or above will also be eligible for placement opportunity along with that opportunity for full stack development training program for free and this fullstack training program comes with unlimited placement opportunities and we are going to select 300 students for this full-stack program if they meet our above expectations and clear our final face 2 face interview. There are rewards awarded to the students, the top 5 will get iPad along with free full stack development courses and placement opportunities till they get their job.
