Dear Sir/ Madam,

Greetings from University Institute of Technology- Rajiv Gandhi Proudhyogiki Vishwavidyalaya, (UIT-RGPV), Bhopal.

It is an immense pleasure for us to extend you a cordial invitation to take part in the two week long 'Faculty Development Programme on Entrepreneurship'.

Realizing the importance of Entrepreneurship in employment generation and wealth creation, the programme was planned to develop the spirit of entrepreneurship among the youth. The dynamic nature of corporate world and the increasing use of technology as a replacement of human labour has rendered limited jobs with no job security. This change, however, represents innumerable opportunities for the ones with the right knowledge and attitude. The programme intends to foster this attitude while delivering to the participants the right mix of information and motivation with regard to help candidates grab the entrepreneurship bull by the horns.

The programme is organized by Technology Business Incubator – Krishna Institute of Engineering and Technology, Ghaziabad in association with University Institute of Technology, Rajiv Gandhi Proudhyogiki Vishwavidyalaya, Bhopal from 27/06/17 to 08/07/17 at UIT-RGPV.

TBI-KIET supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology. It has dynamic & supportive governing board comprising NSTEDB, DST, MSME, SIDBI, Syndicate Bank, IIA and Lead Entrepreneur. Satendra Kumar, G.M. is Ex-officio Member Secretary of the Board. The thrust area of TBI-KIET are ICT, Mechanical and Electronics. TBI-KIET has shown remarkable growth and till date 35 incubatees were supported by TBI-KIET. Presently TBI-KIET has 17 incubatee companies. 16 ideas were also funded by the MSME, Govt. of India and the grant to each idea is Rs. 6.25 Lacs.

UIT-RGPV, where the programme is being organized, is located in a picturesque 241.14 acre campus near Gandhi Nagar, Bhopal. The campus is only 3 kilometers away from the Raja Bhoj Airport. The campus has all requisite and modern facilities. Guest Houses function 24x7, as the institute is renowned for its cordiality to its esteemed guests. Being the oldest Technical University of Madhya Pradesh, the Institute is known for its pedagogy which aims to combine the best of knowledge education, skills education and value education. It is also a place where some of the brightest technical minds in Central India could be found and is therefore the ideal location for an entrepreneurship development programme.

We look forward to see you among the participants in the two week programme. We wish to receive you for the same with the warmest hospitality.

With Warm Wishes ,

**Prof.(Dr.) R.S.Rajput**

Director

## About NSTEDB

National Science and Technology Entrepreneurship Development Board (NSTEDB) is an apex body under the Department of Science & Technology, Govt. of India. It has been focusing entrepreneurship among the persons with Science & Technology background with a view to make "JOB GENERATORS" rather than "JOB SEEKERS". Employment generation through the application of S&T is also encouraged based on innovative methods, techniques and equipments and support through information and trained S&T manpower. The NSTEDB continue to pursue and strengthen its multifarious activities/programmes taken up earlier, in addition to conceptualizing and initiating new programmes in consultation with institutions processing expertise in specific field. Some of the activities/programmes are as follows:

- ◆ Entrepreneurship Awareness Camp (EAC) for college students (3 Days).
- ◆ Technology Based Entrepreneurship Development Programme (TEDP) on specific areas for students and youth (6 weeks).
- ◆ Skill Development Training through Science & Technology (STST).
- ◆ Faculty Development Programme (FDP) on Entrepreneurship for teachers/faculty of college and university (2 Weeks).
- ◆ Science & Technology Entrepreneurship Development (STED) project for the development of an area based on rural technology.
- ◆ Technology Business Incubator (TBI).

## About TBI-KIET

The Technology Business Incubator (TBI) was supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and KIET Group of Institutions, Ghaziabad in Dec., 2007. It has dynamic & supportive governing board comprising NSTEDB, DST, MSME, SIDBI, Syndicate Bank, IIA and Lead Entrepreneur. Satendra Kumar, G.M. is Ex-officio Member Secretary of the Board. The thrust area of TBI-KIET are ICT, Mechanical and Electronics. TBI-KIET has shown remarkable growth and till date 45 incubatees were supported by TBI-KIET. Presently TBI-KIET has 19 incubatee companies. 20 ideas were also funded by the MSME, Govt. of India and the grant to each idea is Rs. 6.25 Lacs. Mahindra World City-SEZ, Jaipur has signed an MOU to establish a TBI office at Jaipur with an objective to create "Human Capital" under the scheme "Apni Pehchan Kaushal Se". ## About Programme

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

Entrepreneurship has very little to do with money. It is instead an attitude, a way of thinking. It goes beyond simply starting a company. In other words not all people who start their own organizations can necessarily be categorized as entrepreneurs. Entrepreneurs challenge assumptions, recognize opportunities in periods of change, reveal patterns where others see chaos and mobilize limited resource to achieve an objective.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students. For the students, Entrepreneurial Awareness Programme, Programme on Entrepreneurship are organized.

Therefore, keeping this fact TBI-KIET organizing Faculty Development Programme. Since teachers play a vital role as change agent of the society. The Faculty Development Programme on Entrepreneurship. The purpose of the programme are:

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
