

Important Instruction regarding Correction of incorrect migration option

- Institution can make request for students those who have submitted choose incorrect migration option.
- Please go to : Examination --> Enrollment Form --> Apply for Change Migration
- Once the Institution Submit the request, this will allow student to change their migration type, and he/she can pay the enrollment form Fee through their portal account.
- Previous Fee for Enrollment, submitted by the student will not be refunded in any case, as per the university instructions.
- If the institution has not submit the request for the student, student will not be able to change their migration type.
- Students those who migrated from M.P., but choose Non-MP Migrant and submit the 650 rs., as soon as the Institution submit the request from here, their migration will be updated to M.P. Automatically, they need not to do any thing. In this case remaining fee will not be refunded.
