RAJIV GANDHI PROUDYOGIKI VISHWAVIDYALAYA (NAAC 'Á' Accredited University)

The Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV) is an "A" accredited State Technological University of Madhya Pradesh, established in the year 1998. With a campus of about 250 acres, the RGPV is evolving into a center of excellence in the arena of Technical Education, Research and Innovations. There are around 188 Engineering, 120 Polytechnics, 69 Pharmacy, 25 Masters of Computer Application and 05 Architecture institutions imparting diploma, Under-Graduate, Post-Graduate courses and Doctorate of Philosophy in emerging disciplines.

e-Entrepreneurship Cell of RGPV, Bhopal is established on 12th May 2016 with the purpose of creating awareness towards the developing entrepreneurial culture in the surrounding and encourage students to embrace the idea of starting their own venture and also to inspire and guide young entrepreneurs and their start-ups. The main aim of this cell is to meet the present day demands of students and to train and motivate the Science and Technology students to become Job Creators rather than Job Seekers. E-Entrepreneurship Cell host various workshops, speaker sessions, innovative games, competitions for aspiring entrepreneurs and support them by providing necessary resources such as funding, mentoring, consultancy, and networking for the students of RGPV's university as well as students from affiliated and neighboring institutions.

COURSE OBJECTIVE

Cloud computing is a phrase used to describe a variety of computing concepts that involve a large number of computers connected through a real time communication network such as the Internet. In science, cloud computing is a synonym for distributed computing over a network and means the ability to run a program or application on many connected computers at the same time. The objectives of this course are as follows:

- Present the basic concepts and issues in Cloud Computing
- Comprehensive knowledge of Cloud Computing tools
- Learn to write program on Cloud Computing tools
- Open up new perspectives for students (BE/ME/PhD) pursuing professional careers and/or academic degrees in Cloud Computing and related fields.
- To understand the emerging trends in the cloud computing area

This Short term training program is split into three parts:
- Lectures.
- Labs/Hands-on sessions daily on various Cloud Computing Tools.
- Assignments and Project.

On successful completion of all the assignments and project certificate will be issued to the participants.

REGISTRATION

- This short term training program is open for all the students of RGPV affiliated institutes of any branch and year.
- No registration charges.
- Selection will be based on first come first basis as the seats are limited.
- Last date for receiving completely filled registration form is 15th December, 2017.
- Participants can submit the registration form to the mail-id: shikha@rgtu.net or roopalisoni@oriental.ac.in

Oriental College of Technology, Bhopal
