Dear Colleagues and Dear Students,

Republic Day Greetings!

On the proud occasion of the 76th Republic Day of India, I extend my warm greetings and best wishes to all faculty members, officers, staff, students, alumni, and well-wishers of our University.

The adoption of our Constitution on 26th January 1950 laid the foundation of a sovereign, socialist, secular, and democratic Republic, guided by the timeless values of justice, liberty, equality, and fraternity. This day reminds us not only of our rights as citizens, but also of our collective responsibilities towards the nation.

As an institution of higher learning, our role is pivotal in nurturing enlightened minds, ethical leadership, scientific temper, and social responsibility. Let us reaffirm our commitment to academic excellence, innovation, inclusivity, and nation-building, while upholding the constitutional ideals that bind us together.

Dear students, You are not just students of institutions—you are students of time, caretakers of democracy, and future custodians of humanity. Let your education sharpen your intellect, but let your conscience guide your actions. Innovation without integrity is chaos; ambition without empathy is emptiness.

The importance of education and research for self-reliance has been recognised by the Hon'ble Prime Minister under Viksit Bharat@2047 Abhiyan to transform the country into a self-reliant and prosperous economy by 2047. Let us work together to achieve the aims envisioned under Atmanirbhar Bharat & Atmanirbhar Madhya Pradesh abhiyan.

May this Republic Day inspire us to work with renewed dedication for the progress of our University and the advancement of our country.

*Jai Hind,
Warm regards.*
